"a fantastic platform ... even in a heavy swell we have found her to be dry ... quick when the ribs and other inflatables are backing down on the pace" Graeme Sweeney, Leigh Sailing Club

With a "gull wing" V hull, huge payload (1085 kg - 13 people CE category D - 10 category C) and "unsinkable" this is a remarkably versatile console boat.

Moulded as a single entity in polyethylene the double skinned hull takes up to 100 HP.
